## Traditional Teas £3.15

---

**English Breakfast** – The Distinctive smell of African tea is noticeable straight away but as this classic blend is infused for longer, the rich dark scent of the Assam comes out, this tea retains a mellow flavour on its own.

**Earl Grey** – Our Earl Grey is a blend of black tea from China and Oil of Bergamot. This distinctive tea, whose smell is as fabulous as its taste is very popular throughout the day.

**Darjeeling** – the “champagne” of Indian teas with a wonderfully delicate, light, distinctive flavour.

**Assam** – A tea which is deep in colour and taste, with a full-bodied, rich and smooth flavour.

**Lapsang Souchong** – This is the famous China Black from the coastal province of Fujian. The Leaves are both withered and dried over smoking pine fires for that smoky, tarry flavour.

---

## Green and White Teas £3.25

---

**Green Tea with Mango** – with a base of a light green tea from China, the aroma and flavour of the mango is delightful.

**Sencha** – a distinctive large leafed China light green tea, with a delicate flavour.

**White Tea** – a distinctive full leaf tea, low in caffeine making it a wonderfully light tea that can be enjoyed at all times of the day.

**China Green Gunpowder** – The strongest of our green teas, Gunpowder has a fabulous green colour and a fresh taste. Its name comes from tightly rolled tea balls that open up in hot water.

**Green Tea with Peppermint** – with a tea base of China Green Gunpowder, the addition of peppermint oil provides a delightfully flavoured green tea.

---

**Russian Caravan** – a blend of China and Oolong teas with a hint of exotic smoke to the taste buds.
