Traditional Teas £3.10

English Breakfast – The Distinctive smell of African tea is noticeable straight away but as this classic blend is infused for longer, the rich dark scent of the Assam comes out, this tea retains a mellow flavour on its own.

Earl Grey – Our Earl Grey is a blend of black tea from China and Oil of Bergamot. This distinctive tea, whose smell is as fabulous as its taste is very popular throughout the day.

Darjeeling – the “champagne” of Indian teas with a wonderfully delicate, light, distinctive flavour.

Assam – A tea which is deep in colour and taste, with a full-bodied, rich and smooth flavour.

Lapsang Souchong – This is the famous China Black from the coastal province of Fujian. The Leaves are both withered and dried over smoking pine fires for that smoky, tarry flavour.

Green and White Teas £3.25

Green Tea with Mango – with a base of a light green tea from China, the aroma and flavour of the mango is delightful.

Sencha – a distinctive large leafed China light green tea, with a delicate flavour.

White Tea – a distinctive full leaf tea, low in caffeine making it a wonderfully light tea that can be enjoyed at all times of the day.

China Green Gunpowder – The strongest of our green teas, Gunpowder has a fabulous green colour and a fresh taste. Its name comes from tightly rolled tea balls that open up in hot water.

Green Tea with Peppermint – with a tea base of China Green Gunpowder, the addition of peppermint oil provides a delightfully flavoured green tea.

Black Teas £3.25

Pump Room Blend – Assam, Ceylon and African teas combine beautifully in this exclusive blend, bright on colour and flavour.

Ceylon – is a very easy drink, it has a clean flavour but is still gentle.

Keemun – this China black tea manages to be light, vaguely smoky and almost scented all at once, it is best without milk.

De-cafe English Breakfast – a very gentle yet full-bodied drink without the caffeine.

Russian Caravan – a blend of China and Oolong teas with a hint of exotic smoke to the taste buds.

Chai and Flavoured Tea £3.25

Earl Grey Blue Lady – a light China black tea flavoured with Bergamot Oil, Mallow Blossom and Cornflower petals for a gentler Earl Grey, a flowery rather than citrus flavour.

Amber Mist – made from a light China black rose tea, with the addition of Mallow and Marigold flowers, the scent and flavour are reminiscent of oranges and grapefruit.

Rose Pouchong – a soft, floral and very sweet tea made from China black tea and blended with Rose Oil and Rose petals.

Chai – (ingredients only) Black tea with aniseed, cinnamon sticks, black pepper, cloves, chicory root and flavouring.

Spiced Chai – (ingredients only) Assam tea with lemon infusion, nutmeg, ginger, cardamom, cinnamon, coriander, fennel, cloves, black pepper, ajwan seeds and lemon oil.

Organic Herbal Infusion £3.00

Berry Black Darjeeling tea – Monkey King Jasmine Green Tea – Sweet Meadows Chamomile Lemon Myrtle – Simply Moroccan Mint – Rooibosch Caffeine free alternative
