

The finest Roman religious spa in northern Europe lies beneath your feet in the centre of Bath. We are also fortunate that the world-renowned Fashion Museum is housed in Bath's Assembly Rooms, ten minutes walk from the city centre.

The two museums are run by Bath and North East Somerset Council for the benefit of everyone. Admission is charged in order to preserve and develop them for the future.

The Council also runs the Victoria Art Gallery, situated next to Pulteney Bridge, which has an exceptionally fine collection of art and an innovative exhibition programme. The Victoria Art Gallery is free to everyone.

Three Year Season Ticket

With so much to see and do as well as an ever-changing programme of events, displays and exhibitions, you will want to visit the Roman Baths and the Fashion Museum time and time again.

And with one of our season tickets, you can come as often as you like for three years.

Alternatively, why not purchase a family season ticket which will enable you to bring your family along each time you visit? Both tickets are perfect if you live in the region or even if you live elsewhere and visit Bath regularly. If you are a resident of the Bath and North East Somerset Council area, a Resident's Discovery Card is more appropriate for you.

The season ticket costs less than three single admissions to the Roman Baths.
